To Whomsoever it may concern

I, Suhail Sethi, confirm that Think Fitout and Design LLC, incorporated in 2020, is a duly registered entity established in accordance with the applicable laws and regulations of Dubai, United Arab Emirates.

The company is committed to maintaining the highest standards of safety, compliance, and professional excellence. We are proudly approved by key regulatory authorities, including the Dubai Municipality (DM), Dubai Civil Defence (DCD), Dubai Development Authority (DDA), Dubai Electricity and Water Authority (DEWA), and TRAKHEES.

These certifications reflect our capability to deliver complex fit-out, MEP, and civil works in full alignment with local regulations—ensuring every project meets stringent standards of quality, safety, and accountability.

Though recently established, Think Fitout draws on the extensive industry experience of its leadership and team. Our multidisciplinary approach blends design innovation, engineering precision, and effective project management, enabling us to build lasting partnerships with developers, government bodies, private sector clients, and design consultants.

We are happy to provide any additional information or documentation upon request.

Warm regards,

Suhail Sethi

MANAGEMENT AND OPERATIONS STAFF

Leadership, Craftsmanship, and Precision on Every Site

Behind every successful handover is a disciplined team. The management and operations staff combine seasoned project leadership with in-house engineers, site supervisors, foremen, and skilled technicians.

From planning and procurement to installation and close-out, they coordinate HSE, QA/QC, and daily site reporting to ensure precision, safety, and on-schedule delivery every time. They also drive value engineering, maintain transparent client communications with weekly progress updates, and manage procurement through approved vendors for just-in-time delivery. On site, dedicated HSE officers enforce method statements and risk assessments, while QA teams conduct inspections at every stage to guarantee workmanship. Pre-handover, our team executes detailed snagging, compiles O&M manuals and as-built drawings, and trains client teams. Post-handover, we provide responsive aftercare and maintenance support to keep spaces performing flawlessly.

PROJECTS

In just the last three years, Think Fitout and Design LLC has successfully delivered 200+ projects for 60+ unique clients, spanning 11+ countries and all seven emirates of the United Arab Emirates. A list of these projects is provided in the subsequent section.

Our portfolio includes work for leading brands and corporates, and we have built a strong reputation in a highly competitive market by consistently prioritizing quality, timely delivery, and client-focused service. This rapid growth reflects our commitment to excellence and our ability to meet the evolving needs of diverse industries.

OUR PORTFOLIO

Chopard

Chopard – Boutique Experience Zone | Bahrain

Think Fitout and Design LLC delivered a premium retail fit-out for Chopard, the renowned Swiss luxury brand, in Bahrain. The space features elegant archways, immersive brand visuals, bespoke displays, and refined lighting, all designed to reflect Chopard's sophisticated identity.

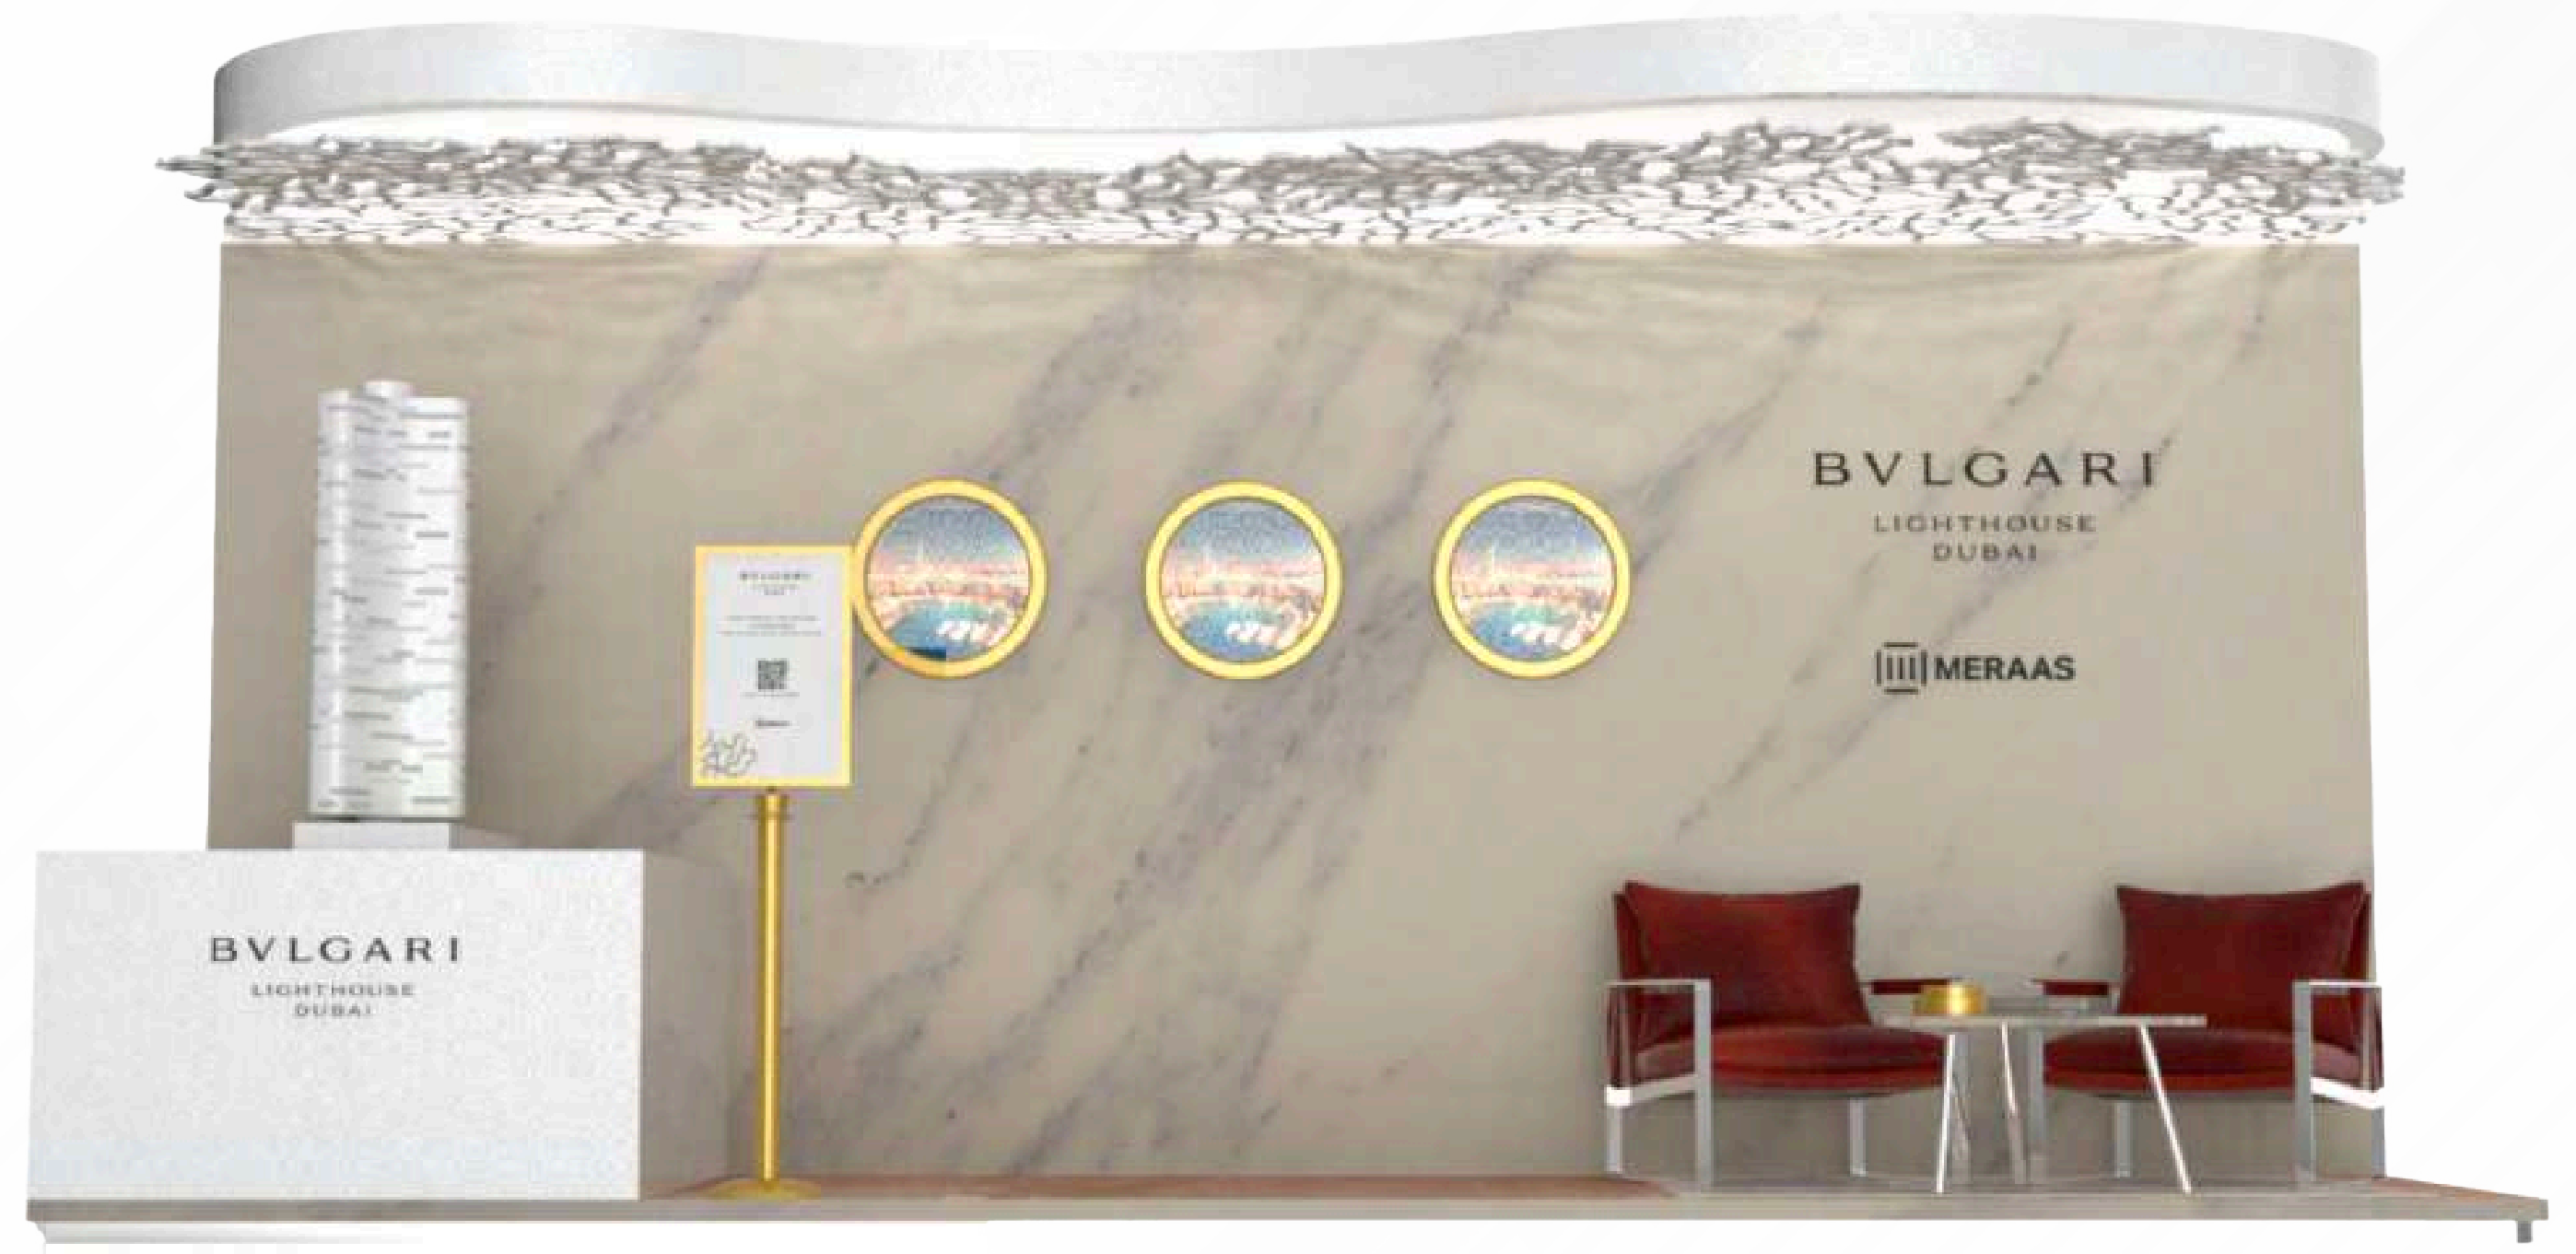

*We have been a **trusted fit-out partner for Chopard since 2023, with ongoing collaborations across the region, demonstrating our commitment to quality and consistency in delivering brand-aligned luxury spaces.***

BVLGARI

BVLGARI – Luxury Display Pod | UAE

Think Fitout and Design LLC executed a refined display pod for BVLGARI, combining sleek architectural detailing, illuminated branding, and suspended ceiling features to highlight a premium real estate offering. This elegant installation reflects our expertise in delivering luxury presentation spaces with precision and style.

damas

Damas - KSA

Think Fitout & Design LLC executed a flagship-quality Damas boutique in the Kingdom of Saudi Arabia. The design celebrates the brand's timeless elegance through soft tones, brass detailing, custom display vitrines, and seamless glass façades. Our scope covered joinery, metalworks, MEP integration, lighting, and finishes, ensuring flawless execution, HSE compliance, and a snag-free, on-schedule handover.

Maria Gaspari – Kiosk Installation | Abu Dhabi

Think Fitout and Design LLC had the privilege of executing a premium retail kiosk for Maria Gaspari, a luxury jewellery brand known for its elegant designs and refined aesthetic. Located in Abu Dhabi, the project reflects the brand's identity through its sophisticated design language, featuring soft tones, clean panelling, and high-end material finishes.

The kiosk was meticulously crafted to balance luxury display needs with spatial efficiency, ensuring maximum product visibility while maintaining an exclusive, boutique ambiance. Key elements include custom display counters, feature wall panelling with the brand insignia, and bespoke seating areas, creating a seamless, immersive retail experience for customers. Our work on this project demonstrates Think Fitout's ability to deliver tailored, brand-aligned solutions that combine visual elegance with functional excellence in a high-traffic retail setting.

Al Liali Jewellery – Retail Store | Multiple Locations, UAE

Multiple high-end retail fit-outs for Liali have been delivered by Think Fitout & Design, a leading fine jewellery brand, across Dubai and other emirates—including their elegant outlet at Nad Al Sheba Mall. Our scope covered turnkey execution, from bespoke display units and premium finishes to ambient lighting and customer-friendly layouts. Each location reflects Liali's brand identity through a blend of luxury, functionality, and attention to detail.

Our continued partnership with Liali across multiple branches underscores our commitment to consistent quality and brand-aligned design in the luxury retail sector.

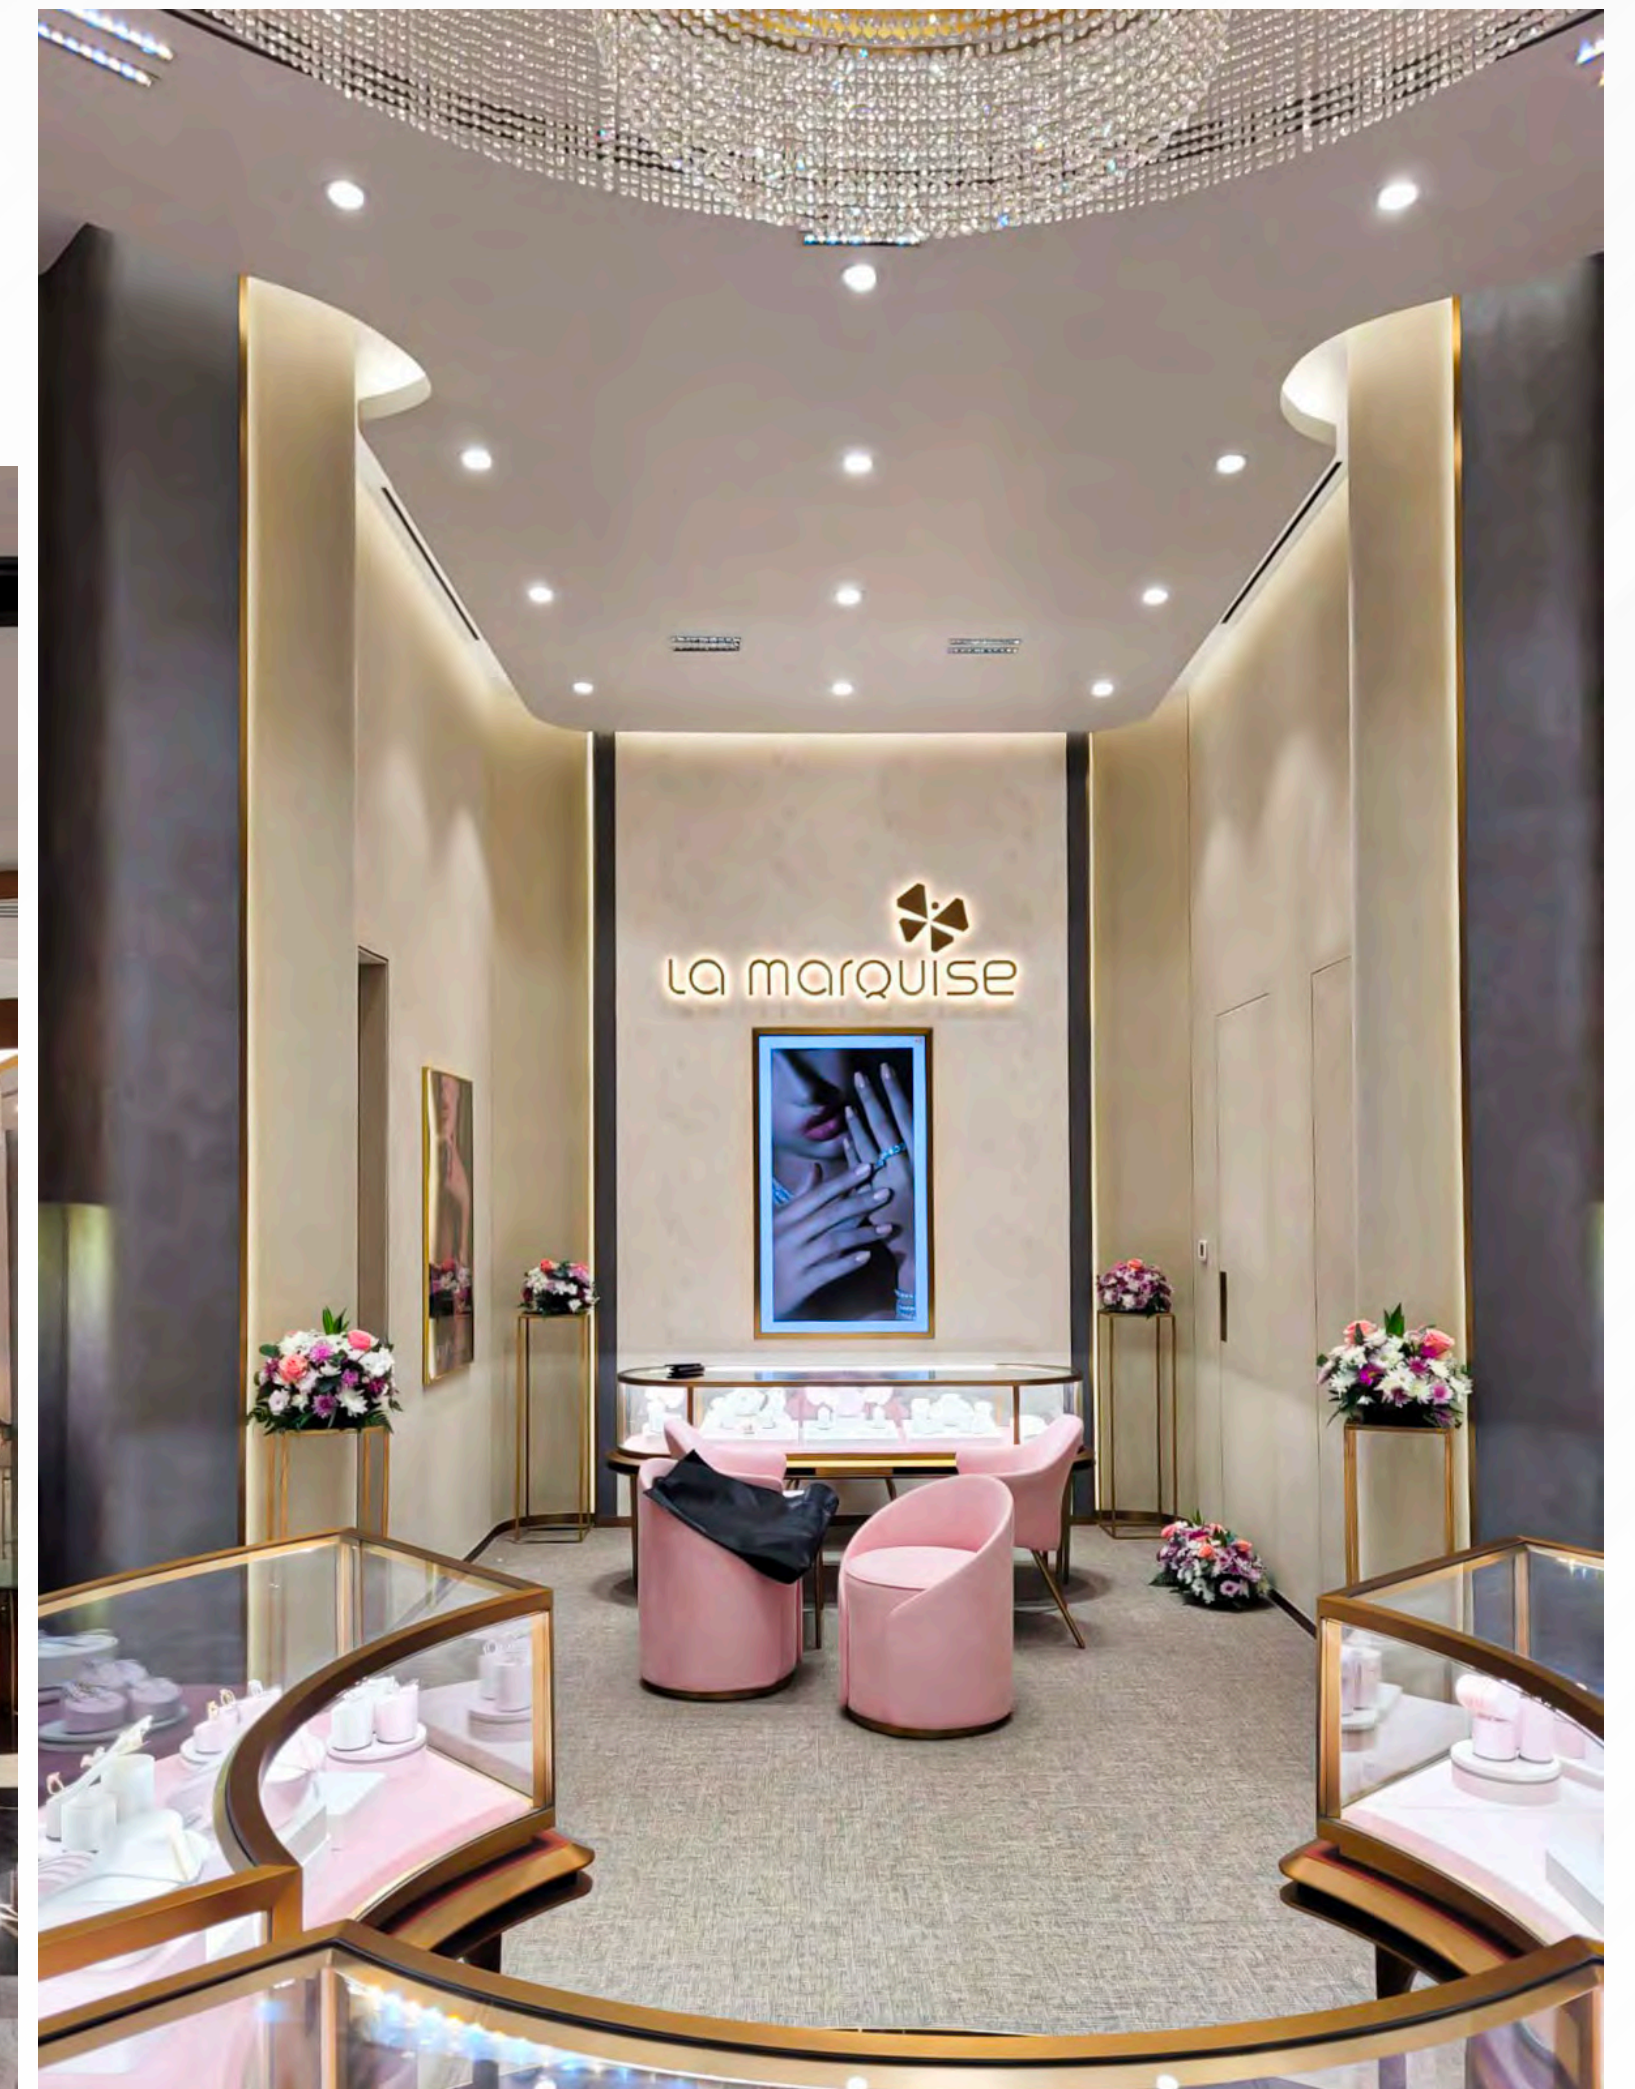

La Marquise – Retail Store | Abu Dhabi & Dubai

Think Fitout and Design LLC is proud to deliver multiple luxury fitouts for La Marquise Diamonds & Watches LLC at Galleria Mall, Abu Dhabi, along with additional boutiques across Dubai.

The Galleria Mall store features a grand curved façade, soft ambient lighting, marble finishes, and elegant custom displays, all designed to reflect La Marquise's timeless luxury and contemporary flair. Plush seating and refined spatial planning ensure a bespoke and immersive customer experience.

Our continuing partnership with La Marquise demonstrates our strength in executing brand-consistent luxury interiors across multiple high-end retail locations.

Candy Hearts – Retail Stores | Multiple Locations, UAE

Think Fitout and Design LLC has been entrusted with bringing the vibrant world of Candy Hearts to life across the UAE, for over 5 years now.

This playful retail concept is exemplified in the Sharjah location, featuring bold colours, dynamic ceiling elements, custom shelving, and interactive product zones. Each store is designed to offer a fun and immersive environment that captures the essence of the brand while ensuring functional efficiency and safety. Our continued collaboration with Candy Hearts highlights our ability to deliver creative, brand-aligned retail spaces across diverse settings.

Taif Al Emarat – Boutiques

Think Fitout and Design LLC delivered a premium retail fit-out for **Taif Al Emarat**.

The boutique blends rich walnut wood with brushed brass and marble, featuring illuminated hexagonal displays, refined arch profiles, suspended product podiums, and museum-grade glass counters. Layered, discreet lighting and a comfortable sampling lounge create an intimate, high-luxury setting that reflects **Taif Al Emarat's elegant Arabian identity**.

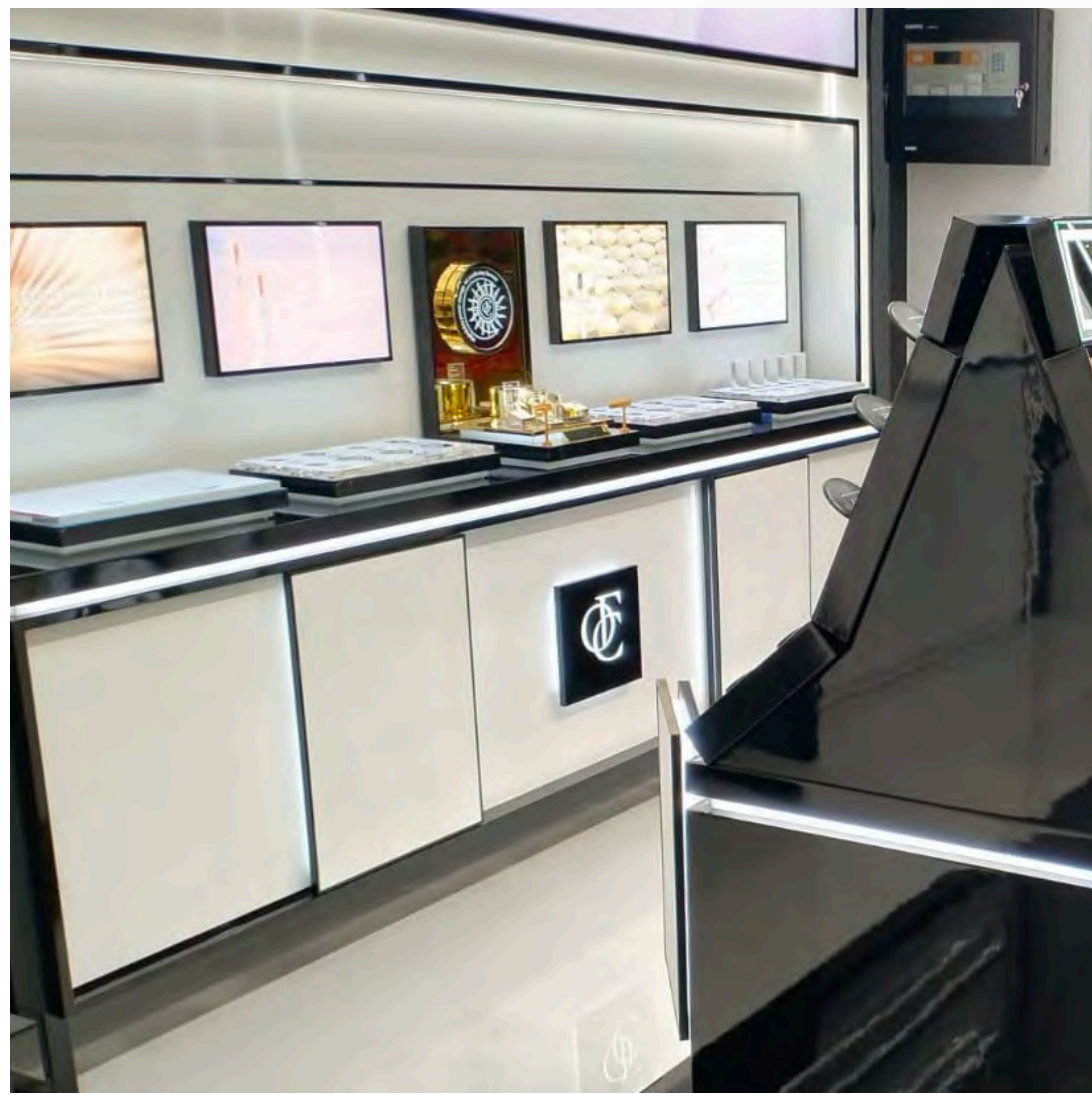

We are a trusted fit-out partner for Taif Al Emarat, with ongoing collaborations across the UAE demonstrating our commitment to quality, consistency, and delivering immersive, brand-aligned luxury spaces.
